Dr. S. B. Morison has returned from his

trip to Benedicta, Fig., where he visited his brother, Hon. R. S. Morison, of this city, at his winter home. Mrs. Morison and Nrs. Strickland, will remain through There was a very fair market yesterday morning, eggs bringing 18 cents; butter was quite scarce and brought 20 to 22 cents.

Smelts were plenty at G cents per pound, but the frozen fish were not as plenty as before all the teams available went to work on the river. Fotstoes sold readily for 72 cents per bushef.

The head of the large moose which charged on and came near killing a man at Sobec last full, as reported in This Wirld at the time, was purchased in the spect by at the time, was purchased in the spect by a large who will be a single heir putunted and a solution of the second with the street of the second who will what he he putunted and a solution of the whole where the matter of the second will what she held paid him. She was deeply grieved at his refusal to comply with so reasonable a demand. work on the river. Potatoes sold readily

from tipito tip. Quite a good attendance, considering the weather, was present at the meeting called by the Rev. George D. Lindsay in his hurch Monday evening. After carefully considering the matter of church work, it was decided to form an organization to be known as "The Pastors, And Society." We expect to hear good things from this body lady who is an art student at Geneva.

Lindsay. THE EVANGELICAL ALLIANCE. The neeting of the Evangelical Alliance Monday afternoon was of a preliminary character and was fairly attended. It was decided to finish up as much of the prepara-tory work as possible before next Monday when final steps are to, be reached in the completization of the organization. A finance commutee was appointed consisting of one member from such church and a committee to secure a city missionary was nominated consisting of Descon J. S Wheelwright, Rev. George D. Lindsby and Mr. F. O. Buzzell.

The importance of puritying the blood cumnot be overestimated, for without pure
blood you cannot early good health.

A this season hearly every one heads a
good readlene to purity, vitalize, and enrich
the blood, and Hood's Sarsaparilla is worthy
your confidence. It is peculiar in that it
strengthens and builds up the system, creates
an appente, and tones the digestion, while
't tradicates disease. Give at a trad.

If od's Sarsaparilla is sold by all druggists
